B. *Correction of Violations-Employment of Unlawful Workers.* The correction of a violation with respect to the employment of an unlawful worker shall include any of the following actions:

(1) The business entity terminates the unlawful worker's employment. While this verification is pending, the three business day period described in Section 3.C.4 shall be tolled.

(2) The business entity attempts to terminate the unlawful worker's employment and such termination is challenged in a Court of the State of Missouri. C. *Procedure if Verification is Delayed.* If the federal government notifies the City of Springfield that it is unable to verify whether an individual is authorized to work in the United States, the City of Springfield shall take no further action on the complaint until a verification from the federal government concerning the status of the individual is received. D. *Venue for Judicial Process.* Any business entity subject to a complaint and subsequent enforcement under this Ordinance, or any individual employed by or seeking employment with such a business entity who is alleged to be an unlawful worker, may challenge the enforcement of this Ordinance with respect to such entity or individual before the Administrative Law Judge for the City of Springfield, Missouri, subject to the right of appeal to the Greene County Circuit Court, Springfield, Missouri, pursuant to Chapter 536.100, RSMo et seq.

E. *Deference to Federal Determinations of Status.* The determination of whether an individual is an unauthorized alien shall be made by the federal government, pursuant to United States Code Title 8, Subsection 1373(c). The Municipal Court for the City of Springfield, Missouri, may take judicial notice of any verification of the individual previously provided by the federal government and may request the federal government to provide automated or testimonial verification pursuant to United States Code Title 8, Subsection 1373(c).
